# Financial arrangements

- Bank A/C established in Australia
- Registered as a Not-for-Profit organisation with Australian Tax Office
- Presently 2 signatories on A/C

# Financial position of IPRRG

# Financial strategy for conference financing

- Mindful of currency exchange rate fluctuations and trends
- Strong trend for AUD to appreciate against Euro recently so no need to hedge the currency
- Reliant on registration fees to cover costs of conference
- Now have sufficient working capital to cover costs of deposits on venues if needed
