

IPRRG 2020

Nairobi

INTERNATIONAL YEAR OF  
**PLANT HEALTH**  
2020

# The Opportunity

- To share our research with our African colleagues
- To learn of the needs and capability for PRA praxis in Africa
- To support the building of PRA capacity in Africa
  - A 3-day project proposal writing workshop following the IPRRG meeting. This is a voluntary add-on.
  - Lay foundations for future engagement with Africa
  - Build relationships with African colleagues
- Financial support from SDTF
